NOTIFICATION

The Consulate General of the Kingdom of Bhutan to the United States is pleased to inform all Bhutanese living in the United States, Canada and surrounding region that the Ministry of Foreign Affairs and External Trade has officially launched the Consular App – ‘**Druk Abroad**’, on Wednesday, 28 August 2024.

The App is designed primarily to benefit Bhutanese traveling and living abroad in addressing consular issues. The App offers important key features like ‘Save Our Soul (SOS)’ in sending consular issues directly to respective Embassies, Missions and Consulates (EMCs) and the Administration at the Ministry of Foreign Affairs and External Trade, who in turn would initiate appropriate response or actions at the earliest.

The App has a user-friendly interface and is available for download on both iOS and Android platforms and has been kept dynamic so that continuous improvements can be carried out in accordance with the nature of the requests that will be received.

The Consulate General of the Kingdom of Bhutan in New York encourages all Bhutanese to download and utilize this app for a smoother consular experience.
